VECTOR GROUP LTD. TO SELL UP TO \$30,000,000 SENIOR CONVERTIBLE NOTES

MIAMI, FL, March 30, 2005 -- Vector Group Ltd. (NYSE: VGR) announced today the pricing of \$25 million of its 5% Variable Interest Senior Convertible Notes due 2011 (the "Notes") through a private offering to qualified institutional investors. The initial purchaser also has an option to purchase an additional \$5 million of Notes to cover over-allotments. The offering is anticipated to close on April 13, 2005.

The Notes mature in November 2011, but the Company must redeem a minimum of 12.5% of the total aggregate principal amount of the Notes outstanding in November 2009, at which time the holders of the Notes will also have an option to require the Company to repurchase some or all of their remaining Notes. The Notes are convertible into the Company's common stock, at the option of the holder, at an initial conversion price of \$19.40 per share, subject to anti-dilution adjustments. Interest on the Notes is payable quarterly commencing on May 15, 2005. The Notes accrue interest at 5% per annum, with an additional amount of interest payable on each interest payment date based upon the amount of cash dividends per share paid by the Company on its common stock during the prior three-month period ending on the record date for such interest payment multiplied by the total number of shares of the Company's common stock into which the Notes are convertible on such record date (together, the "Total Interest"). Notwithstanding the foregoing, however, during the period from the closing date to and including November 15, 2006, the interest payable on each interest payment date shall be the higher of (i) the Total Interest or (ii) 6 3/4% per annum.

The Company intends to use the net proceeds of the issuance for general corporate purposes, which will include the repayment of borrowings under its revolving credit facility. The closing of the offering is subject to customary closing conditions.

The Company has agreed to register the Notes and the shares of common stock issuable upon conversion thereof for resale under the Securities Act of 1933.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the Notes. The Notes and the common stock issuable upon conversion thereof have not been registered under the Securities Act of 1933, as amended, or any state securities laws. Unless so registered, the Notes and the common stock issuable upon conversion of the Notes may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended, and applicable state securities laws.
